The Zoning Board of Adjustment Powers and Duties

The Zoning Board of Adjustment consists of five (5) regular members and two (2) alternates. It is not a legislative body with the authority to amend ordinances or create new laws. The Board conducts hearings on matters dealing with the City of Hurst Zoning Ordinance.

The Board's jurisdiction shall extend to and include hearing and deciding on the following types of appeals and applications and to that end shall have the necessary authority to insure continuing compliance with its decisions:

Interpretation: To render an interpretation of the zoning regulations or the matters of their application where it is alleged that an error in any order, requirement or determination was made by the enforcing officer in the administration of such provisions. In reaching its decision, the board shall establish firm guidelines for future administrative actions on similar matters.

Special exceptions: To decide upon those applications for special exception to use or develop property when the same is authorized under these regulations subject to board approval.

Variance: To authorize upon appeal in specific cases such variance from the terms of the Zoning Ordinance as will not be contrary to the public interest. Such variances shall not be authorized unless the board makes an affirmative finding to all of the following questions:

- (a) That literal enforcement of the controls will create an unnecessary hardship or practical difficulty in the development of the affected property.
- (b) That the situation causing the hardship or difficulty is neither self-imposed nor generally affecting all or most properties in the same zoning district.
- (c) That the relief sought will not injure the permitted use of adjacent conforming property.
- (d) That the granting of the variance will be in harmony with the spirit and purposes of these regulations.

No variance shall be granted without the concurring vote of four members of the board.

Application fees may only be refunded if a withdrawal is entered before the public hearing notices are prepared.
