To the Citizens and Visitors of Hurst,

The Hurst City Council is proud to present the 2012 Restaurant, Retail & Business Guide. This free informational guide is produced annually and distributed by the City of Hurst to help our citizens and visitors identify and patronize businesses within our city. It is now more important than ever to support local business and “Shop First in Hurst.” Local merchants benefit from increased sales allowing them to keep their investment in our community. In addition, a small percentage of every sales tax dollar helps pave our streets, pay for crime-fighting programs to keep our city safe and fund first-rate park and recreation programs right here in Hurst.

For even more convenience we offer an on-line version of the guide at ci.hurst.tx.us. This version is updated throughout the year, allowing you to enjoy convenient and immediate access by searching for a specific type of business, restaurant, or retail establishment or simply print the guide to keep a copy of the latest version.

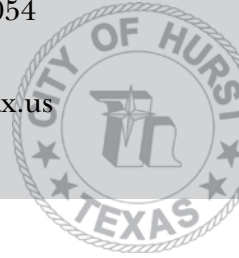

If you have any questions about this guide, please call 817.788.7025. And remember, “Shop First in Hurst” . . . it matters!

Sincerely,

Hurst City Council
