

COMPUTER SESSION DEFINITIONS

Our PC Session Reservation System has been set to provide each patron up to 120 minutes of Internet Access per day.

We've divided the Computer Center PCs into 4 separately-defined areas for you to choose from based on how much time you need.

Area Definitions:

Super Express: Media Center PCs #13 - 16
- 15 minute *un-extendable*** sessions

Express: Media Center PCs #9 - 12
- 30 minute *un-extendable*** sessions

Full Length: Media Center PCs #1 - 8
- 60 minute *extendable** sessions

Reference: PCs #1-4 by the Reference Desk
- 60 minute *extendable** sessions

***Extendable Sessions:** sessions may be extended in 15 minute increments so long as no one is waiting.

****Un-Extendable Sessions:** sessions cannot be extended, meaning that users who need more time must reserve a new session.

**You have Only 5 Minutes after
the time on your session ticket before the system
Cancels your Reservation!**
