

From June 22, 2010 City Council Meeting Minutes, page 4, Item #11:

Considered award of technology and security plan for Library. Deputy City Manager Allan Heindel briefed Council Members regarding a technology and security plan for the Hurst Public Library Expansion Project. He reviewed the scope of the project and noted that they hoped to have the dedication in March 2011.

After discussion, Council Member McLendon moved to approve authorization to the City Manager to purchase through City approved or TXMAS vendors and AUI components of the technology and security plan for the Hurst Public Library Expansion Project in the amount of \$190,939 (includes contingency). Motion seconded by Council Member Welton. Motion prevailed by the following vote:

Aye: Council Members Holzer, Kitchens, Wilson, McLendon, Swearngen and Welton

No: None
